Type of Interview

The interview was telephonic.

Items discussed

Rejection of all the claims under 37 C.F.R. §103(a) were generally discussed. Claim 8 was specifically discussed. Cited references: Zatti "Naming in OSI" and US Patent No. 6,122,520 to Want were discussed.

Substance of Interview

Applicant's representative respectfully stated that the final Office Action did not address the subject invention.

Applicant's representative provided an overview of Applicant's invention. Applicant's representative explained the patentable differences between the subject invention and the cited references. Applicant's representative explained two important aspects that are not present in the cited prior art.

The Examiner stated that he recommends further claim amendments covering how the invention functions, what is the output, and what are the functions used therein.

The Examiner cited pages 4-7 as containing many aspects of the invention that are not included in the claims.

Respectfully submitted,

THE WEBB LAW FIRM
